The letter was acknowledged and entered into public record. The Mayor questioned whether Council or Police Chief Hinnant had any objections. Council had no objections, and Chief Hinnant advised that he has been in communication with Mr. Blake regarding the event and had no issues.

A consensus from Council to approve the event was provided.

V. PUBLIC COMMENTS

All public comments are limited to 5 minutes per person

George Koontz, 15804 Patty Baker Road, Mt. Savage, President of the Western Maryland Central Labor Council, wished to inform Mayor and Council of their "Workers Memorial Day" program on April 28, 2017 at Noon, and to request the use of City Hall Plaza, weather permitting, or the City Hall rotunda if not. Mayor Grim responded that the City has always welcomed them and will continue to do so.

Mark Nelson, Cumberland, spoke regarding last week's Town Hall meeting and asked whether a more detailed budget had been placed on the City's website yet. Mayor Grim advised that he was not aware that it had been posted, but the budget was available to anyone upon request, though it was a draft document that changed from day to day. Mr. Nelson discussed his requests to City staff to release the Cumberland Economic Development Commission's (CEDC) contract with Cumberland Gateway Real Estate and commented on the relationship between the CEDC and the City. He suggested that the City have more transparency regarding the CEDC, pass an Order to make the CEDC contract public, and amend the MOU with the CEDC to require their compliance with the Open Meetings and Public Information Acts.

Mayor Grim offered comments on the Town Hall Meeting held April 12, 2017. He stated the meeting was attended by 108 individuals and 25 of those individuals provided comments. He stated that Council had been hoping to hear a public consensus on the matters presented, but instead heard a variety of thoughts from those in attendance, with most wanting to retain services without a tax hike. He stated that it would take a 20% tax hike to fill the budget shortfalls this year and the only way to keep the current service level was to impose a tax increase as no more cuts can be made. He stated that several individuals had accused the City of mismanagement of funds, but that was inconsistent with the fact that all three major funds were in the black. Mayor Grim provided numbers to illustrate what effect the proposed tax increase would have on a variety of home values.

VI. ADJOURNMENT

With no further business at hand, the meeting adjourned at 6:37 p.m.

- c) any breach or default in the performance of any obligation of Lessee under the terms of this Lease.

16. Default. After the occurrence of any of the following events, the City shall have the right to terminate this Lease immediately:

- a) In the event that Lessee shall fail to keep and perform, or shall violate the terms, covenants, and conditions of this Lease on its part to be kept and performed, and Lessee shall not have cured or corrected this failure within five (5) days after written notice shall have been given to Lessee.
- b) If Lessee shall make an assignment for the benefit of its creditors, or shall file a petition in bankruptcy or shall be adjudged bankrupt, or the interest of Lessee under this Lease shall be levied upon and sold upon execution or shall, by operation of law, become vested in another person, firm or corporation, because of the insolvency of Lessee, or in the event that a receiver or trustee shall be appointed for Lessee or the interest of Lessee under this Lease.

Dear Mayor & City Council

I am writing to you as chairperson of Hot Wheels 2017, my non-profit car club's annual car show, to request permission of use of the top two levels of the George St. parking garage. Specifically, I am requesting that location as the venue of our Friday Welcome Party.

Just to give you a little information on who we are: Tri-Valley is the Northern Va, Eastern Panhandle WV, & Central/Western Md region of the Lambda Car Club International; which is the largest LGBT collector car organization in North America. National membership is at 2,200, and there are 32 active regions throughout the U.S. All vehicles of any age or condition are welcome at club events. Regionally we are the second largest region with 119 member and one of the most active regions.

We have chosen Cumberland to host our annual Invitational Car Show for the next three years. With our final year, 2019, being selected as the National Invitational. The first two years will be a three day event that includes two regional tours, a judged car show, tailight welcome party, and a awards banquet. For the regional shows we are expecting 50-60 attendees and around 40-50 vehicles. The 2019 National Invitational is expecting 200-250 attendees and around 150-200 vehicles. The lineup of host cities for the National Invitational is Las Vegas (2017), Nashville (2018), Cumberland (2019), Detroit (2020), and Atlanta (2021). Quite an accomplishment for Cumberland, Maryland to be listed among those major cities.

The event for which I am requesting use of the George St. Parking Garage is our Friday Welcome Party. Specifically this event is organized to welcome the members and to highlight the taillights and other lighting features of automobiles. It will be held Friday, June 23rd from 7pm to 10pm. It would include music, a hola-hoop performer, an ice cream sundae bar, and a cash bar. The cash bar is being provided by CASA of Allegany County, and is being used as a fundraiser for that organization. CASA is responsible for obtaining a one day event liquor license and all other responsibilities associated with

providing cash bar at the event. My national organization, LCCI, has reviewed the city's special event insurance requirements and agrees to all terms of the requirements.

I have specifically chosen the location of the George Street parking garage for its wonderful view of the city skyline at night and its location to our host hotel, the Ramada. I am requesting use of both top levels so that I could use the second from the top level as the event location in case of inclement weather. This event will be a semi-private as an invitation has been extended to the local Antique Automobile Club of America region, the Queen City Region, to join and to help welcome people to Cumberland.

I hope that you vote in the affirmative to provide my organization use of the George Street Parking Garage for the above detailed event. If any more information is required or if you have any specific questions I will gladly answer them.

I look forward to working with you on this event and the upcoming events.

Sincerely yours,

A handwritten signature in cursive script that reads "Kyle P. Blake".
