# CITY OF CUMBERLAND NOTICE OF A PROPOSED REAL PROPERTY TAX INCREASE

The Mayor and City Council of Cumberland propose to increase real property taxes.

1. For the tax year beginning July 1, 2011, the estimated real property assessable base will increase by 4.3% from \$859,498,959 to \$896,834,367.
2. If Cumberland maintains the current tax rate of \$.9654 per \$100 of assessment, real property tax revenues will increase by 4.3% resulting in \$360,436 of new real property tax revenues.
3. In order to fully offset the effect of increasing assessments, the real property tax rate should be reduced to \$.9252, the constant yield tax rate.
4. The City is considering not reducing its real property tax rate enough to fully offset increasing assessments. The City proposes to adopt a real property tax rate of \$.9654 per \$100 of assessment. This tax rate is 4.3% higher than the constant yield tax rate and will generate \$360,436 in additional property tax revenues.

A public hearing on the proposed real property tax rate increase will be held at 6:15 P.M. on May 10, 2011, at City Hall Council Chambers. The hearing is open to the public, and public testimony is encouraged. Persons with questions regarding this hearing may call 301-759-6424 for further information.
